CELEBRATE
DAY OF
THE DEAD

AN 84-INCH CURTAIN HUNG AT THE CEILING HIDES A DATED SHOWER.

LUAU GREEN SW 6712 SHERWIN-WILLIAMS

[6x9 FEET]

PANEL IT

In designer Kristina Crestin's bathroom, shiplap milled from exterior-grade MDF waterproofs walls at a lower cost than tile. Its strong horizontal lines keep eyes moving.

GO BOLD

Acid-green walls and paint-by-number art in gray frames are statement-makers. Everything else is as simple and visually quiet as possible. Even the mirror is unframed so as not to attract attention. ■
